

## 1 What Your Agreement looks like

### 1.1 Our Agreement and these General Terms and Conditions

1.1.1 This document is referred to as the “**General Terms and Conditions**” and forms the basis of Our Standard Form of Agreement, setting out the general terms and conditions applicable in respect of services We provide in connection with Mobile Devices and Mobile Services that You may offer to purchase.

1.1.2 Each of the following documents constitutes Our “standard form of agreement” for the purposes of section 479(2)(b) of the Telecommunications Act 1997:

- (a) these General Terms and Conditions;
  - (b) in respect of a Mobile Device purchased by You, the applicable Mobile Device Terms; and
  - (c) in respect of a Mobile Service purchased by You, the applicable Mobile Services Terms,
- in each case, as amended from time to time (together, the **Standard Form of Agreement**).

### 1.2 What makes up Your Agreement?

1.2.1 The agreement applicable to Your use of the Mobile Service and the Mobile Device, as applicable (**Agreement**) consists of:

- (a) these General Terms and Conditions;
- (b) Your Application Form;
- (c) where You have purchased a Mobile Device, the applicable Mobile Device Terms;
- (d) where You have purchased a Mobile Service:
  - (i) the applicable Mobile Service Terms; and
  - (ii) the relevant Critical Information Summary applying from time to time; and
- (e) any other terms and conditions that each party agrees from time to time form part of this Agreement.

### 1.3 Agreement Start Time – when You become bound

1.3.1 You acknowledge that We:

- (a) may accept or reject an Application Form in Our absolute discretion; and
- (b) are not required to provide You with Our reasons in connection with any such acceptance or rejection.

1.3.2 If We accept Your Application Form, Your Agreement begins at the time We accept Your Application Form (the **Agreement Start Time**).

### 1.4 Term of the Agreement

1.4.1 There is no minimum term in respect of this Agreement, which will continue until it is terminated in accordance with its terms.

1.4.2 You may terminate this Agreement at any time in accordance with clause 4.

### 1.5 Changes to the Agreement

1.5.1 For various reasons (including the management of Our liability under agreements with Our suppliers, increases in

costs and expenses that are beyond Our control and Our exposure to various risks (including regulatory, reputational and operational risks)), from time to time We may need to change one or more of the documents comprising the Agreement.

- 1.5.2 Changes made pursuant to clause 1.5.1 may impact Your Agreement. However, as Your ongoing satisfaction is important to Us, We will always endeavour to act reasonably, and We have also given You the Anytime Termination Right (and where such change has had, or will have, a material adverse effect on You (or the relevant End User, if that is not You) such termination will not constitute an Acceleration Trigger Event).

## 1.6 Notice period for changes to the Agreement

1.6.1 To the extent that We believe that changes to the Agreement will:

- (a) have a detrimental impact on You or the End User, wherever reasonably practicable We will endeavour to provide You with at least 6 weeks' prior notice before the change takes effect; and
- (b) not have a detrimental impact on You or the End User, We are not required to provide notice before such change takes effect (with such changes being notified to You through the nu Website and/or via email).

1.6.2 Where a change is required without delay to comply with laws and regulations, or We believe the changes are necessary for security, fraud prevention or technical reasons, We cannot ensure that We will be able to notify You before We make such changes (but We will let You know as soon as reasonably possible).

1.6.3 Without limiting Your rights to terminate after changes take effect, in relation to changes in respect of which We have given You reasonable prior notice, unless You terminate before those changes take effect, You will be deemed to have accepted those changes upon their taking effect.

## 2 What You must and must not do

### 2.1 What You must do

2.1.1 By submitting Your Application Form, You acknowledge that We may be required to keep Our suppliers updated as to certain customer information, and You agree to:

- (c) fulfil each of Your obligations under this Agreement promptly;
- (d) notify Us promptly of any changes to:

and that You are not engaging in any unlawful or unauthorised conduct (and You indemnify Us for any such unlawful or unauthorised conduct).

## 2.2 What You must not do

### 2.2.1 You must not at any time:

- (a) complete or submit an Application Form, or provide any documents, on behalf of any person (whether or not that person is proposed to be an End User or not) without that person's permission and authority (and by submitting an Application Form and the associated documents You represent and warrant to Us that You have all necessary permissions and authority to submit such Application Form and associated documents);
- (b) permit anyone (including an End User that is not You) to use any goods or services provided to You under this Agreement in a manner that would constitute a breach of this Agreement (if it were You acting instead of that person);
- (c) use any goods or services provided to You under this Agreement in breach of Our Fair Go Policy (a copy of which is available [here](#)); or
- (d) seek to transfer Your Account, or any or all of the value standing to the credit of Your Account, to any other Account, person or entity (but this does not prevent You from permitting another End User to use that Account, for which You remain liable at all times).

## 3 How We will communicate with You

### 3.1.1 We may contact You using:

- (a) where required by law or regulation, any means permitted by such law or regulation; and
- (b) in the absence of any such requirements, any means that We consider reasonable in the circumstances, including by phone, SMS/MMS, email or in writing.

## 4 Termination

### 4.1 Termination by You

4.1.2 You may exercise the Anytime Termination Right by notifying Us by contacting Our Customer Service Team (contact details available [here](#)).

#### 4.1.3 Should You exercise the Anytime Termination Right:

- (a) such termination of the Agreement (as distinct from the cessation of Services supplied under it) will only become effective:
  - (i) once all amounts owing by You to Us have been received in cleared and immediately available funds; and
  - (ii) subject to the satisfaction of any additional Anytime Termination Right Conditions that may apply in connection with this Agreement; and
- (b) without limiting Your rights under the Australian Consumer Law (including any rights to a refund), and unless expressly stated otherwise in this Agreement, You acknowledge that in respect of such termination there is no accompanying or resulting right for You to seek a refund for any products or services.

### 4.2 Termination by Us

- 4.2.1 Without limiting any other cancellation rights under this Agreement, We may terminate this Agreement immediately if:
- (a) required in connection with an emergency;
  - (b) We (or Our suppliers) suspect that there has been fraud or attempted fraud in connection with Your Account or this Agreement;
  - (c) required in accordance with any applicable laws or regulations;
  - (d) We are so directed to do so by a relevant authority; or
  - (e) You are declared bankrupt (if You are an individual) or a receiver, liquidator, provisional liquidator or administrator is appointed to You or You enter into an arrangement with Your creditors, or You become insolvent or are wound up (if You are a company or other entity).
- 4.2.2 We may also terminate this Agreement on reasonable prior notice if:
- (a) You breach a material term of this Agreement (including failure to pay any amount when it becomes due and payable);
  - (b) We have reasonable grounds (including, without limitation, based on previous payment and collections history) to believe that You may not, or may not be able to, pay any amount as and when it will fall due (but not where You are complying with a separate payment arrangement that has been agreed between You and Us);
  - (c) an event that is not within Our control prevents Us from supplying the Mobile Service for a period of more than 14 days;
  - (d) We (or Our supplier) suspects that:
    - (i) there is misuse in connection with any Mobile Service provided under this Agreement;
    - (ii) the End User of a Mobile Service provided under this Agreement is not authorised to use that Mobile Service;
    - (iii) there are repeated violations of the Fair Go Policy (a copy of which is available [here](#)); or
    - (iv) We are otherwise permitted to do so by this Agreement.

## 4.3 Consequences of termination

4.3.1 Following termination of this Agreement, neither You nor an End User will be able to use:

- (a) any Mobile Service provided under this Agreement; or
- (b) the Mobile Phone Number corresponding with that Mobile Service (unless it has been duly ported out to another carriage service provider prior to termination in accordance with this Agreement and any applicable laws, regulations, codes (or similar) or third party contractual terms).

## 5 Payments, fees and nu Credits

### 5.1 Payments automatically deducted

5.1.1 We will, in respect of all payments due in connection with this Agreement, attempt to automatically deduct such payment on the following dates:

- (a) for each payment that is a recurring payment (e.g. a monthly instalment or fee), other than a Late Payment Fee, on the relevant Monthly Payment Date;

- (b) for each voluntary payment (e.g. a voluntarily top-up or repayment), at or shortly after the time of confirming the payment of the relevant product or service;
- (c) for each Late Payment Fee, at the time such Late Payment Fee is incurred in accordance with the terms of this Agreement; and
- (d) for each amount that becomes overdue, on each day such amount remains outstanding (until such amount has been collected in full, and You acknowledge that We accept no liability for any resulting transaction charges (or similar amounts) that may result from Our attempts to collect such overdue amounts).

## 5.2 Credit and debit card payments

5.2.1 You represent and warrant to Us in respect of each Nominated Card that You are either:

- (a) the Nominated Card Holder; or
- (b) authorised by each relevant Nominated Card Holder,

to use that Nominated Card to make each of the payments due in connection with this Agreement.

5.2.2 You acknowledge that We may assume that a person is the Nominated Card Holder where that person supplies Us with the following details:

- (a) card number;
- (b) the type of card; and
- (c) the approximate date (within 2 business days) of a charge applied in Our favour using that Nominated Card.

5.2.3 We may disclose (and You consent to such disclosure) to each Nominated Card Holder details of any payments applied to the relevant Nominated Card in respect of the relevant Account (including the time, date and amount of any payment, the personal details of the relevant Account Holder and/or End User for that Account).

5.2.4 In respect of each Nominated Card, We (or Our suppliers) may perform a pre-authorisation transaction against Your Nominated Card for a nominal amount (for example, \$1.00). This transaction may appear as a pending transaction against the Nominated Card, but will be removed shortly after (and typically within 10 business days). Please contact Our Customer Service Team if such transaction has not been removed within that period.

## 5.3 Late and dishonoured payments

5.3.1 If Your Account goes into arrears (that is, We have been unable to collect the full amount of a payment that has fallen due), We may charge Late Payment Fees.

5.3.2 To avoid the application of any Late Payment Fee and any interruption of any Services, You acknowledge that:

- (a) if in respect of an Account for which We cannot collect each payment in full (by debiting the Nominated Card in respect of that Account) as a result of a problem for which You are responsible (such as providing incorrect details for the Nominated Card, or having insufficient funds or credit in respect of such Nominated Card), We will attempt to repeat the collection of such amount daily until payment has been collected; and
- (b) We are not liable for any fees that may be incurred as a result of Our attempts to collect payments that are overdue (for example, any dishonour or overdrawn fees that the relevant financial institution may levy in respect of the Nominated Card).

5.3.3 To assist You to manage Your Account (to avoid going into arrears, receiving any Late Payment Fees and any resulting interruptions to any Services), We will send You various notifications from time to time to help You keep

on top of payments and the balance on Your Account.

## 5.4 Limitations on Services and Mobile Devices when in arrears

- 5.4.1 If, notwithstanding Our notifications to You (and the End User, if that is not You) and Our attempts to collect overdue payments, Your Account remains in arrears, We may limit:
- (a) the Services being provided to You (for example, by barring and/or disconnecting the Mobile Service in respect of that Account pursuant to clause 11.2.1(g) of the Mobile Service Terms); and/or
  - (b) the use of the relevant Mobile Device through various technical and other measures available from time to time (for example, through IMEI Blocking).
- 5.4.2 We will always use reasonable endeavours to notify You several times before We impose any interruptions on the Services We provide to You, or take action in respect of any Mobile Devices (including, where appropriate, the reporting of any suspected criminal or fraudulent behaviour to the relevant law enforcement agencies), but it is Your responsibility to ensure that Your Account is not in arrears and does not go into default (except where the circumstances are beyond Your control, for example, due to administrative and technical errors for which You are not responsible).
- 5.4.3 Subject to Your rights under the Australian Consumer Law, to the maximum extent permitted by law, We accept no liability in connection with any decision to so limit Your Services or the use of a relevant Mobile Device, or to report certain suspected behaviour, in accordance with this Agreement.

## 5.5 nu Credits

- 5.5.1 We may, in Our absolute discretion, from time to time apply credits towards Your Account (each such credit being a **nu Credit**).
- 5.5.2 You acknowledge that such nu Credits:
- (a) are not redeemable for cash (or similar);
  - (b) are available for use by You solely towards amounts incurred on the Account in respect of which such nu Credits were granted (the **Credited Account**);
  - (c) will be applied automatically towards amounts incurred on the Credited Account;
  - (d) are not transferrable and may not be used in connection with any other Account (including other Accounts that may be held by You or the End User in respect of the Credited Account); and
  - (e) expire upon termination of the Credited Account.

If You would like any further information about the Privacy Policy or Our practices in this regard, please contact Our Customer Service Team.
